

South Pueblo Lodge # 31 (Violett Court No. 22) Pueblo

1. We have limited our meetings to 10 people as per ordinance from the Governor and our Mayor.
2. Our lodge is roughly 500 square feet.
3. We have personally cleaned every chair and hand railing in our lodge before our June meetings, as well as after, plus these are kept up with periodically during the Summer.
4. It was not required for us to keep track of temperatures; however, the names of lodge meeting attendees were kept in our minutes.
5. For a typical lodge meeting, the requirements have been met (10 members), if you're referring to an Amaranth Court meeting, then these requirements would not be able to be met as per these 10 people guideline maximum as Amaranth has a lot more officers and side liners.
6. All extra masonic lodge functions/dinners (non-meetings) have been cancelled for the duration of the year 2020
7. no - N/A (as referenced in question 6)
8. We did wear masks at our two meetings that we held in June and will again require them for Masonic Lodge meetings in September and the foreseeable future.

Hopefully this information will be helpful.

Sincerely,

Ben Neilson

South Pueblo Lodge # 31

Worshipful Master/Temple Board President 2020
